Re: C00174334

Dear Ms. Benitz,

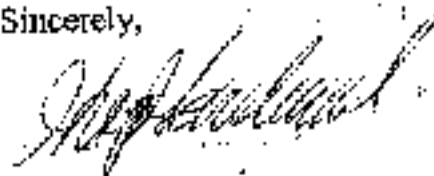

Thank you for your letter of December 17<sup>th</sup> regarding our Mid-Year Report. Our software vendor has advised us that there had been some problems with the way our data was organized on the report by their software.

We have changed the contribution to "Recall Gail Marshall" to the Political Contribution (011) reporting code. On our amendment, it appears on line 23 rather than 21. There were not actually any excessive transfers made from the non-federal account.

We have changed the 100% Federal Election Activity (FEA) transactions so that they are included on line 30b rather than 21b.

We have now electronically filed amended reports for the period 1/1/03-6/30/03. Please call me directly at 805-566-1475 x114 if you have any questions or concerns. Thanks again.

Sincerely,

Gregory Gandrud, Treasurer
